

# NORTH PHOENIX PREP SCHOOL LUNCH PROGRAM

## Healthy

Welcome to North Phoenix Preparatory's lunch program, catered by Empire Catering. Our goal at Empire Catering is to make children as passionate about eating our food as we are about making it. We seek to achieve this goal through the following four ideals:

1. Good food starts with good ingredients!
2. Food should come from kitchens, not factories.
3. A meal is the sum of it's parts.
4. Healthy bodies enable healthy minds.

Our menu runs the gamut from healthy "kid favorites" to culinary creations. Each month, we offer a menu in order to delight diverse palates, dietary restrictions and preferences. We pride ourselves on providing high-quality, nutritious lunches at a reasonable cost to the families we serve. We are thrilled to be the lunch service of choice for your school and look forward to being the right choice for your children's lunch on a daily basis.

# Quality

Empire Catering is committed to partnering with North Phoenix Prep's Parent Service Organization volunteers and families to ensure students are happy, healthy and set up for success. Volume-based orders are often delivered from organic farms directly to our kitchens, allowing our sustainable organic ingredients to be affordable without compromising quality. Empire Catering hires and manages all kitchen staff. Each of our school's lunch programs has its own floor manager to oversee the flow of the dining room.

## Daily Lunch Program and Salad Bar

Our prepared lunches are carefully planned to include a variety of selections such as whole grains, choice meats, and vegetables. Not only does our salad bar have all of your favorites, but is also organic when in season. We also offer items kids are able to take with them. We provide sandwiches, wraps, granola bars, meat and cheese plates, yogurts, water and milk.

## Pizza and Ice Cream

Each week, pizza and ice cream is served to the students. The daily salad bar is also served, along with the usual grab-and-go options of sandwiches, wraps, granola bars, meat and cheese plates, yogurts, water, milk and other various seasonal items. Gluten-free pizza is available to students who pre-register for this option.
