

CAMPUS VISITS WORKSHEET

Visit Date _____

College Name _____

Start by introducing yourself and ask for a business card to connect with the college representative later (or send a thank you note!) College reps genuinely enjoy talking to high school students and answering questions about their school. The questions below will help start a good dialogue.

- What makes your college unique? What academic programs is your college most known for?
- My favorite school subject is _____. How could that translate into a major at your school?
- How would you describe the students who go there? Where do most of them come from?
- Where do students hang out on campus?
- What happens on weekends? Are there things to do on campus or in town, or do most students go home?
- What are the housing options for freshmen? Do many students live off campus?
- Is there a sports complex or fitness center?
- What are the most popular clubs and activities?
- What's the surrounding area like? Is it easy to get around?
- How would you describe the academic pressure and workload?
- What support services are available for students? Freshmen experience programs, academic advising or tutoring?
- What's the faculty like? How accessible are they outside of class?
- Are there opportunities for internships, undergraduate research or study abroad programs?
- How can I make my application stand out?
