PRESIDENTIAL ADDRESS

It is the most wonderful time of the year...

Winter break is upon us, yes it's only a few days away! I want you to take this time to reflect on what it took for you to make it through the year. Now when you are done strolling down memory lane, schedule yourself some downtime and practice writing the number "four". Yes you know you will write 2023 in January, but if you start practicing now you might prevent it.

This Wednesday (12/20), we will have our last PSO meeting for the year and a luncheon for the faculty and staff. Please join us in the morning as we will be planning all of our spring activities. If you want to get involved, that would be a perfect time to test the waters. After the meeting concludes we will decorate the MPR for the faculty luncheon.

The first half of the year has flown past and I want to thank all the parents who volunteered or donated to the school and the PSO. I am going to make one last request for the year, please purchase an AMAZON GIFT CARD today! We will use them to love up on our faculty and staff during the luncheon. They have been working incredibly hard to educate our Gladiators, and I would love for them to enter the break on a high note.
