### *Seniors*

The 2024–2025 Free Application for Federal Student Aid (FAFSA®) form is now available. We encourage all seniors and Contributors to create their own [FSA ID account](#) (this is simply a login for FAFSA) as soon as possible. [Access a list of steps](#) required to complete the FAFSA along with a video resource.

### *Juniors*

During last week's College 101 presentation, students learned how to create a [“message box”](#) to master college, internship or job interviews. In preparation for college applications next fall, we've encouraged juniors to ask two faculty to serve as recommenders by spring break. Help your junior brainstorm responses to their [Student Brag Sheet](#), a self-assessment tool to be shared with recommenders.

**Junior Parent College Night – Monday, March 4 at 6 – 6:30 PM [Zoom](#)** (passcode: NPXPREP). Learn more about the college application timeline and financial aid resources.

*While designed for junior parents, this presentation is open to all NPX high school parents.*

The Achievement Tutoring Program offers up to 24 hours of FREE ACT Test Prep for Arizona students. Computer-based, private tutoring sessions are held for up to 60 minutes, for a maximum of four days per week, for a total of six weeks. Access the list of [Authorized ATP Tutoring Providers](#) contracted with the Arizona Department of Education. Registration for the next block opens **today, February 26**.

### *All High School Grades*

Spring break is a great time to tour college campuses! Reference this [Campus Visit Score Card and questionnaire](#) to help your student make the most of their experience.

We strongly recommend that students engage in [enrichment opportunities](#) this summer to test out the waters related to their academic interests and college search. Featured program: [Registration opened](#) for the **University of Arizona's Summer Engineering Academy**, an engineering program for high school students who want to learn more about studying engineering.
