WELCOME BACK TO SCHOOL

A WELCOME MESSAGE BY JESSICA NUNEZ:

Hello Gladiator Parents,

I am thrilled to be your PSO President for a second year. I have 3 daughters at Great Hearts North Phoenix and have been involved in the parent community for 5 years now.

I am excited to announce that we have a full PSO board this year! Your feedback and involvement is both appreciated and necessary. Countless studies have shown that students with parents involved in school are more successful in academics, socially, and behaviorally. I will try to make a way for every parent to engage regardless of your availability. I can find something for everyone.

Our first few activities this year have definitely been a success! I have had the opportunity to interact with approximately 40 parents that I had not previously met. I am challenging both you and I to continue that winning streak each month for the rest of the year!

I sincerely cannot wait to meet you and work together for the good of our school community!
