Hey Parents!

Can you believe it's already the end of February? I'm still stuck in January, trying to find my life (and maybe my keys). If you're anything like the PSO board volunteers, you're probably just now recovering from December holiday chaos! But seriously, THANK YOU to our amazing community for making the Faculty Holiday Luncheon in December a HUGE hit. We fed 67 faculty and staff with a Chipotle feast: everyone received at least one gift, AND we surprised them with over 20 gift cards. I was on campus today and the teachers are STILL talking about the love and appreciation they felt. Cue the confetti and high fives!

As much as I love basking in our collective glory (who doesn't?), it's time to move on to bigger and better things. Want to get involved? I promise, I respect boundaries and am not trying to overwhelm anyone—I just want you to experience the joy of serving this amazing community. Get involved in whatever way works for you—whether it's 30 minutes, a few snacks, or a few high-fives. You won't regret it. Seriously.
