ACADEMY GIVING

COMMUNITY INVESTMENT: Provides our faculty and staff with the resources they need to deliver the Great Hearts model of education. Every family's participation, at any level, is vital to supporting our teachers and the educational priorities of our academy.

- Covers the gap between what we need to deliver the top-tier education that our children deserve and what we receive from public funding
- Providing funds for School Security
- Keeps our class sizes smaller for more individualized attention
- Boutique College Counseling support
- Enables us to offer programs like art, music and foreign language on a daily basis
- TAX CREDIT: All Arizona taxpayers are eligible to contribute to the Public School of their choice and receive a dollar-for-dollar credit on their state taxes
- Tax Credits allow us to have an Athletic Program. As a Charter School, we rely on both Tax Credits and a small Athletic Fee to run our programs
- Additionally, Tax Credits allow us to offer Field Trips and Extracurricular/Student Leadership programs.
- Married couples may contribute up to \$400; single filers may contribute up to \$200

We ask every family to participate in both of our Annual Campaigns.
 100% of all gifts/contributions stays at our school!

Thank you for investing in your scholar with us.
