Did You Know:

PowerSchool has an App in addition to the website which is extremely user friendly

May 5th is Great Hearts’ day of giving. Our goal is \$10,000 for this day. We are encouraging the community to give to community investment on this day.

Open Floor:

Supplies list and classics to keep for the 2026/2027 school year have been posted.

Please encourage your kids to find their texts books as emails will be coming asking them to start returning them.

Please spread the word, no parking on 32nd Street or Hearn. The traffic is getting extremely unsafe due to parents not following the rules.

Please spread the word that parking at the church is a privilege and we need to considerate of their property and treat it with respect.

We have reached out to the company who put in the sliding door at concessions and they are working to repair it which hopefully will be done in the time for the pancake breakfast.

Amanda – for work on the setting up middle school socials

LT – shopping for the snack sales

Janelle – help with many different tasks whenever we need a helping hand and reach out
